Australian Society for Technical Communication Incorporated (ASTC) 2024 Annual General Meeting (AGM) committee nominations

The ASTC invites you to nominate candidates for the 2024–2025 ASTC committee.

You can nominate for:

- President
- Vice President
- Secretary
- Treasurer
- General Committee.

How to nominate

Complete the nomination form on the next page and return your signed form to info@astc.org.au before close of business, Tuesday 5 November 2024.

How to vote

ASTC members will vote for their preferred nominees at the AGM on Wednesday 6 November 2024 at 8:30 PM AEDT. We're hosting the AGM using the Zoom meeting software, enabling members to attend, no matter where they are located in Australia. We'll provide information provided to members by email.

Conditions

Nominees must be current financial members of the ASTC at the time of the AGM.

Nominees must be proposed and seconded and the nominee must agree to stand. Nominations can be seconded by a member proposed by the current committee.

Get your nomination in early to give voters the best chance to consider the candidates. Details of each nomination will be published on the AGM page of our website as they are received. You can submit nominations at the AGM, however, this doesn't allow voting members time to consider late nominations.

ASTC committee candidate nomination form
